Convertible Freezer/Fridge

Easily switch the temperature zones between freezer and fridge to match your storage needs. Whether it's for seasonal items or special occasions, you'll have ample space to store what you need, when you need it.

Keep For 135 Hours

Hisense's chest freezers are designed to retain an exceptional amount of cold air. This means that even without power, your freezer will maintain a frigid 0° for almost 6 full days; guaranteed to keep your food fresh until you return.

360° Cooling

As interior layouts have evolved, minimalist, seamless design has become the ultimate goal. Hisense chest freezers with recessed handles are the perfect combination of style and function.

Recessed Handle

As interior layouts have evolved, minimalist, seamless design has become the ultimate goal. Hisense chest freezers with recessed handles are the perfect combination of style and function.

Movable Basket

Not all food is created equal. Some foods are frozen for long-term storage, while others are accessed on a regular basis. Searching for them each time can be a massive hassle. With Hisense's removable basket, you can store your most used items in one easily accessible space.w.

Garage Ready

Put your freezer in the garage worry-free! Hisense Freezer is designed to perform in temperatures from -17°C to 43°C (0°F ~ 110°F), ensuring optimal performance no matter the weather outside, giving you worry-free storage for all seasons.

Aluminum Inner Liner

Hisense's chest freezers are built with a robust inner lining to make prevent rust buildup and water damage. The rust-proof design makes it a great defence against any ice and water.

Super Freeze

Super Freeze rapidly cools with maximum airflow, perfect for quick freezing, and making ice, ensuring optimal food preservation.

Door Hover

The door is carefully designed to accommodate your needs, by lingering in the set position when opened between 30°and 60°, making it easy for you to use putting away groceries without worry.

Ultra thin Hinges

By reducing the size of the hinges, the Hisense chest freezer is both space-saving and offers a sleek design.
