Broan Elite E60000 Series

Selecting the right professional style range hood just became easier. Broan introduces the E60000 range hoods in 18" wall-mount version. These new models come with integrated internal blowers or dedicated external blower capability. Styling is fresh and modern, yet designed to easily complement popular pro-style cooking products.

- 18" wall-mount design
- Brushed stainless steel finish
- 30", 36", 42" and 48" widths, 24" depth
- 600 CFM internal blower is standard on 30" and 36" models
- 1200 CFM internal blower is standard on 36", 42" and 48" models
- Dedicated models in all widths for use with external blower options—choice of eight, from 280–1500 CFM
- Bright halogen lighting; Two 50-watt bulbs in 30" and 36" widths, Three 50-watt bulbs in 42" and 48" widths (purchase bulbs separately)
- Pro-style, dishwasher-safe baffle filters with removable grease drip rail
- 4-speed rotary switch control (for internal blower only)
- Heat Sentry ™ detects excessive heat and adjusts blower speed automatically
- Optional pro-style backsplash and decorative 12" soffit flue
- Designed to duct out of the hood shell in either horizontal or vertical direction with any blower configuration
