2008 Traditional Laundry Specifications Sheet

Amana
Now that's clever.

Washer NTW4800VQ
Dryer NE/GD4800VQ
Shown with optional laundry tower model MVP5000TQ

Modern Styling

Create a laundry room as chic as your wardrobe. The contemporary lines and unique accent colors on the console of the Traditional laundry pairs give you a look that's tailored to perfection.

Super Capacity

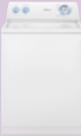

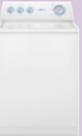

Clean and dry more at one time. These Super Capacity laundry pairs provide plenty of space for your collection of couture. The nice price leaves more room in your budget as well.

**antimicrobial
component protection**
supplied by Microban®

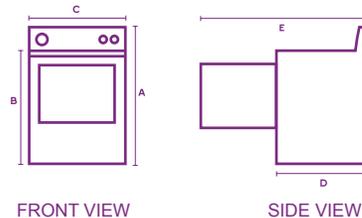

Antimicrobial Component Protection

Clean shouldn't be complicated. The tub ring on the washer is built with antimicrobial component protection to resist the growth of stain- and odor-causing bacteria.
