

BERTAZZONI PROFESSIONAL SERIES

24/30" SPEED OVEN SO 24 PRO X

24 inch built-in oven shown with optional 30" trim kit

The Bertazzoni Professional Series speed oven is versatile and easy-to-use, with a family-sized capacity and 6 microwave power levels. In addition to European convection it also has conventional electric oven cooking modes and an electric grill. These can be combined with the microwave functions for perfect results reducing cooking time by more than half.

TOUCH CONTROL

The intuitive touch-through-glass interface features a clear graphic display, turning this oven into the perfect partner for your every day cooking.

HANDLE SOLUTION

The solid stainless steel handle assembly completes the elegantly balanced flush oven front.

INSTALLATION INSTRUCTIONS

Bertazzoni recommends to operate the appliance after it has been installed in a cabinet. The kitchen cabinets shall be made of materials capable of withstanding temperatures at least 117°F (65°C) above room temperature in order to avoid possible damage to the cabinets during oven usage. For further installation instructions refer to the installation manual.
