
BERTAZZONI OTR

30" OVER THE RANGE MICROWAVE KO 30 PRO X

This 1.5 cubic-foot microwave is cleverly designed to be located above the cooktop or range, saving countertop space and acting as a ventilation hood as well.

Styled to match with the Bertazzoni built-in Design Series and Professional Series, it is finished in stainless steel with a black glass door.

The oven has 11 power levels and controls that include pre-set functions, cooking timer and sensor controls for reheat, defrost and cook. The control display features white digits on a black background. The oven is equipped with a child safety lock.

S	Oven depth	14 ⁷ / ₈	378
W	Oven width	29 ¹³ / ₁₆	758

INSTALLATION INSTRUCTIONS

Bertazzoni recommends to operate the appliance after it has been installed in a cabinet. The kitchen cabinets shall be made of materials capable of withstanding temperatures at least 117°F (65°C) above room temperature in order to avoid possible damage to the cabinets during oven usage. For further installation instructions refer to the installation manual.
