BRFD 2650 SS

25.6 cu.ft. (727 L) total gross volume Trio-cycle no frost cooling

ENERGY STAR

Fridge

Frost free

Through the door ice and water dispenser with crushed ice option

Touch button display

Illumination with white LED

3 safety glass shelves with height adjustment

4 door bins (gallon bottle width and regular width) Energy Star qualified

Flexi Zone

Flexible temperature selection option from -10°F to $+50^{\circ}\text{F}$

Freezer

Auto defrost

6 drawers

Hygiene

Blue zone

hygAIR ionizing technology Hygiene+ antibacterial carbon filter

Antibacterial seal

Technical Information

Dimensions (HxWxD) (cm): $185 \times 90.8 \times 86.1$ Dimensions (HxWxD) (in): $72 \times 3/4 \times 35 \times 3/4 \times 33 \times 15/16$ * *Depth is with door handles.

Color

BRFD 2650 SS: Fingerprint free stainless steel

Features

Frost free

Keeps food fresher for longer periods. Eliminates ice and bacteria build-up, avoids unpleasant fridge odors.

Trio cycle frost free technology

Provides separate air circulation in the freezer, the fresh food compartment and the flexi zone by means of three separate fans — so prevents odour blendig, preserves foods and provides more energy efficient and silent cooling.

Hygiene+ antibacterial carbon filter

Photo catalyst carbon filter, eliminates bacteria, reduces fridge odour and ensures hygiene.
The carbon filter can be reactivated easily, with just one day's exposure to sunlight.

HygAIR ionizing technology

Eliminates airborne bacteria and odor forming molecules, by producing natural negative ions. And food stays fresher for longer.

Illumination with white LED

White LED provides a more aesthetic look inside your fridge and less energy consumption.

Blue light technology

Allows fruit and vegetables to continue photosynthesis. Your food maintains its vitamin value.

Fingerprint free

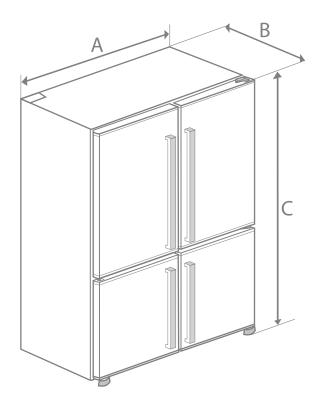

Fingerprint free inox for easy cleaning.
