Features

14 Place settings

Blomberg dishwasher can perfectly clean dishes up to 14 place settings without leaving any piece of cutlery out.

Double motion float system

All Blomberg dishwashers have a double motion float system (DMFS) that provides maximum security against water damage and a bottom tray to prevent flooding.

Digital display

The electronic display is a quick and easy way to select your programs. Additionally, models with top control panel wih numerical display offer a noise level adjustable "end of cycle audiable signal". Hidden control panel prevents your children from changing programs and playing with your dishwasher.

5 Level wash

The 5 level wash system ensures immaculately clean dishes by spraying water from every direction.

Silent wash

By utilizing three layers of insulation including bituminous material, cotton insulation and side walls and with its advanced motor technology Blomberg dishwashers are among the quitest models in the market.

Blomberg dishwashers provide the best performance with all types of compact detergents.
