Interior Design

All stainless steel tank Three spray arms (lower,upper and ceiling)

Base Rack Loading System

Unloaded adjustable upper rack 2 adjustable mug shelves Sliding cutlery basket Fixed lower rack tines

Color

DWT 25502 W: White DWT 25502 B: Black DWT 25502 SS: Stainless steel

FEATURES

14 Place Settings

Blomberg dishwashers can perfectly clean dishes upto 14 place settings without leaving any piece of cutlery out.

RapidClean

The dishwasher increases the washing temperature and adjust the water pressure to provide up to 2 times faster cleaning performance.

ExtraRinse

Additional rinsing function for households who desire an extra rinsing cycle with more water.

Auto Tablet

Sensors detects rinse aid and automaticly sets drying cycle duration. This provides the best drying results without any concern.

Brushless DCTM Motor

Variable speed circulation motor allows to use optimum necessary amount of water and energy. Due to magnetic design the motor has no persistent low frequency sound, and creates less vibration.

Double Motion Float System

All Blomberg dishwashers have a double motion float system (DMFS) that provides maximum security against water damage and a bottom tray to prevent flooding.
