FEATURES

5.7
cu.ft

XL Cooking volume – 5.7 cuft

Large capacity oven allows you to cook multiple dishes at once. The large interior can easily accommodate a big roast, multiple casserole dishes or several racks of cookies.

Convection Oven with Boost Function

Convection cooking with boost function ensures even and fast baking. Oven cavity reaches to pre-set 350F under 6 minutes thanks to high power elements.

11"
cooking
zone

11" XL Cooking zone

11" cooking zone gives you up to 3,700W power for fast boils.
