# BRIGADE PROFESSIONAL 7 SERIES RANGE

Brigade 7 Series ranges feature EXCLUSIVE 23,000 BTU Elevation Burners™ adapted from the Brigade Commercial product line, combined with a fully-featured convection oven to create a restaurant-caliber range unlike any other in the residential market.

# BRIGADE PROFESSIONAL FRENCH-DOOR DOUBLE OVEN

Introducing total convenience with the same superior power and performance as other Brigade Professional ovens. Side swing doors turn this traditional oven into a modern amenity, putting accessibility to your dish within arm's reach.

# BRIGADE PROFESSIONAL TURBO CHEF DOUBLE OVEN

Advanced, high speed cooking technology proven in over 130,000 commercial kitchens worldwide. With over 200 patents, this oven will brown, sear, roast, and caramelize to perfection fifteen times faster than conventional ovens. Brigade knows how valuable time is to busy families, and the Brigade TurboChef Double Oven gives you the luxury of spending less time cooking and more time at the table with the ones you love.

# BRIGADE PROFESSIONAL VENTILATION

In a kitchen full of aromas, allow the scent of fresh food to emerge above the rest. Brigade Professional Ventilation offers classic Brigade appeal – heavy-duty, yet stylish, with new dimmable LED lighting and the ability to easily adjust the fan speed while cooking.

Clear the air with Brigade Professional Ventilation systems designed to complete your Brigade kitchen.

# BRIGADE PROFESSIONAL COOKTOPS

NEW, sleek and innovatively designed cooktops coordinate perfectly with the entire Brigade Professional line of products. Boasting the most powerful 30" and 36" wide gas cooktops in the industry, Brigade Professional gas cooktops offer a hassle-free kitchen upgrade with superior cooking power. Up to 10 cooking zones on the Brigade Professional electric cooktops provide the fastest boiling times and best simmer of cooktops in the luxury segment. The performance, styling and energy efficiency of the Brigade Professional induction cooktops is the next hottest thing with signature CoolLit™ LED lighting illuminating the large cooking surface.
