

Broan Elite E661 Series

The clean, smooth design of this range hood fits snugly under cabinets and provides quiet and effective ventilation.

- Enclosed stainless steel bottom with dishwasher-safe stainless steel filters with easy release latches
- Two-intensity exclusive PURLED™ lighting with last setting memory: two 5.5 watt LED bulbs (included)
- Large recessed bottom filter area increases capture of cooking impurities
- Three-speed plus boost mode with last setting memory and 5-minute delay off function
- Heat Sentry™ detects excessive heat and adjusts blower speed to high automatically
