

NA930 C/R | CLASSIC Collection

Cyclone[®]
Breathe Better

White

Black

Stainless Steel

Under Mount

Our original model, the powerful and durable NA930 is perfect for high-heat cooking and unparalleled in value. Features non-stick fan blades that separate grease and oil from the airflow. The fans can be controlled independently of each other via a rocker switch. Utilizes oil cups for hassle-free collection and disposal of oil and grease.
