

LEONE
WALL-MOUNT

ASPIRE SERIES

Give your professional kitchen a splash of Italian design with Leone's crisp lines, seamless welded corner craftsmanship, beveled rim and gleaming stainless steel, plus Leone comes "unbranded", for easy coordination with other appliances. Most importantly, Leone has the extra depth (24") and power (1200 CFM on 36" & 42" widths) needed to support professional ranges and cooktops. No ear plugs required with Leone's HUSH sound suppression system, which enables you to comfortably talk and entertain, even when cooking up a storm. Available in 30", 36" and 42" widths, Leone features stainless finish rotating knob controls, which operate the 4-speed blower and halogen lighting. Easy maintenance and a cleaner kitchen are assured with professional stainless steel baffle filters.

Leone is designed for standard ducted ventilation only.
