## POTENZA

WALL-MOUNTED HOOD

Potenza combines curved glass and stainless steel to create a light and airy environment, which is perfect for any contemporary kitchen. The flowing design is either 30" or 36" widths and comes equipped with a powerful 400 CFM blower that can support the cooking demands of most kitchens. High-tech LCD controls, manage multiple functions, including incandescent lighting, 3 speed blower, automatically turns on under high heat and even has a sensor that tells you when to clean your dishwasher-safe anodized aluminum mesh filters. Potenza features a telescopic chimney for up to 8' ceilings and also has an available extension for taller kitchens. Designed for standard ducted installation, Potenza can also be installed as a recirculating system using the Recirculating Kit, available as an accessory.
