

STAR ISLAND

COLLECTION SERIES

Star is the brightest hood in Elica's glittering constellation of range hoods. The spherical shape is dressed with hundreds of tiny cascading glass prisms, which softly reflect light and elegantly illuminate any room.

The compact size and sophisticated styling adds casual brilliance and the right touch of Decoration, without overpowering the kitchen or obstructing views to the outside. All possible due to Elica's patented Evolution system.

Above all, Star ventilates the kitchen with a 300 CFM blower that effectively removes cooking grease, heat, smoke and odours, with only a whisper of sound (.3 sones at speed 1).
