UMBRIA

INSERT HOOD

Umbria is designed for discreet mounting inside cabinetry above the cooktop. The design is ideal for kitchens where space is limited, or where ventilation needs to be out of sight. Umbria is available in 27^{3/4"} and 33^{3/4"} wide models and comes equipped with a powerful 600 CFM blower that can handle most cooking needs. Heavy duty stainless steel push button controls operate the 3 speed blower and halogen lighting, while dishwasher safe anodized aluminum mesh filters offer easy maintenance. Stainless steel hood liners (an available accessory) ensure a professional fit and protect cabinetry from heat and moisture. Umbria is designed for standard ducted installation.

FEATURES

Controls	Mechanical Push-Button Controls
Illumination	2, 50 Watt Halogen Lamps (Bulbs Included) 1 Light Intensity
Installation Type	Ducted or Recirculating Installation Recirculating Kit Sold Separately
