PWE23KSD

GE Profile™ Series ENERGY STAR® 22.7 Cu. Ft. Counter Depth French-Door Refrigerator

Features and Benefits

- Counter-depth configuration - Creates the look of a built-in without the added
- Stainless steel doors with hidden hinges - Offer a sleek finish with the clean look of concealed hinges
- Internal controls with actual-temperature display - Eliminate the guesswork of temperature setting with actual degrees displayed digitally
- TwinChill™ evaporators - Separate climates in the fresh food and freezer sections help maintain temperature and humidity levels to keep foods fresh
- Advanced filtration system - GE's exclusive filtration system removes trace pharmaceuticals from water and ice
- In-the-door filter - Located in the door for more available space in the fresh food section and easy replacement
- Drop-down tray - Allows for extra door storage when you need it and tucks away when you don't
- Showcase LED lighting - Positioned throughout the interior and under fresh food doors to spotlight foods inside the refrigerator and in the freezer
- Space saving icemaker - Located on the door with integrated bins to create more usable storage space
- Turbo Cool and Turbo Freeze settings - An extra boost of cold air restores interior to set temperature for optimum food freshness
- Quick Space Shelf - Functions as a normal full-sized shelf when needed and easily slides down for instant storage flexibility
- Model PWE23KSDSS - Stainless steel
