Wine Reserve & Beverage Center with Privacy Glass

Digital Controls
and LED Display

ZDWT240PBS

Wine Reserve with Privacy Glass

Digital Controls
and LED Display

ZDBT240PBS

Beverage Center with Privacy Glass

Privacy glass. Innovative liquid-crystal technology allows you to turn glass from opaque to clear with a simple press of a button. Opaque setting conceals contents from view.

Wine Reserve & Beverage Center with Digital Controls

Digital Controls
and LED Display

Stores up to 57
wine bottles

ZDWR240PBS Wine Reserve

Digital Controls
and LED Display

Holds up to
10 bottles,
as well as
12-oz. cans
and two-liter
containers

ZDBR240PBS Beverage Center

Temperature control. Digital touch controls allow you to select precise temperature settings for proper storing of wines and cooling of all types of beverages.

Wine Chiller & Beverage Center

Adjustable
Dial Control

Stores up to 57
wine bottles

ZDWC240NBS Wine Chiller

Adjustable
Dial Control

Holds up to
12 bottles,
as well as
12-oz. cans
and two-liter
containers

ZDBC240NBS Beverage Center

Temperature control. Adjustable thermostats maintain the ideal setting for storing or serving.

Flexible installation (all models). Wine and Beverage modules stand beautifully on their own, or may be built into cabinetry.

Double-Drawer Refrigerator

ZIDS240PSS Stainless Steel

ZIDI240PII Custom Panel

Temperature control. Digital touch controls maintain a consistent temperature for the upper and lower drawers, and an LED display allows you to monitor the temperature at a glance.

Storage convenience. A fold-down shelf, adjustable dividers and removable bottom-drawer bin maximize storage space and flexibility, allowing room for everything from whole melons to large turkeys. The top drawer can hold up to 72 twelve-ounce cans, and the bottom drawer has room for eight two-liter bottles.

Interior lighting. Brilliant full-width LED lighting in both drawers puts contents into clear view.

Flush installation. The built-in configuration allows near-seamless integration with surrounding cabinetry. Model ZIDI240PII accepts custom 3/4" panel and handle for a personalized look.

Fresh-Food Refrigerator

ZIFS240PSS Stainless Steel

ZIFI240PII Custom Panel

Temperature control. Digital touch controls offer a range of temperatures for precise chilling of a variety of fresh foods and beverages, and an LED display allows easy viewing of temperatures.

Storage convenience. Removable, spillproof glass shelves, along with a QuickSpace shelf and a clear LEXAN® crisper on full-extension slides, provide easy access to contents.

Flexible installation. The free-standing Fresh-Food Refrigerator stands beautifully on its own, or may be built into cabinetry. Model ZIFI240PII accepts a custom 3/4" panel and handle for a personalized look.

Bar Refrigerator with Icemaker

ZIBS240PSS Stainless Steel

ZIBI240PII Custom Panel

Automatic icemaker. Self-contained icemaker features a removable ice bin on full-extension slides and a heavy-duty ice scoop for serving convenience.

Temperature control. Digital touch controls allow a range of temperature settings for different cooling needs, and an LED display makes settings clearly visible.

Storage convenience. Beverage shelf on full-extension slides holds up to five wine bottles or ten 12-oz. cans, while spillproof glass shelves provide ample space for fresh foods and beverages.

Flexible installation. The free-standing Bar Refrigerator stands beautifully on its own, or may be built into cabinetry. Model ZIBI240PII accepts custom 3/4" panel and handle for a personalized look.

Outdoor/Indoor Refrigerator

ZDOD240PSS Stainless Steel

Outdoor design. Sturdy, professional-grade stainless steel exterior stands up to the most demanding environmental conditions.

Temperature control. Digital touch controls help keep foods fresh, regardless of outdoor temperatures.

Storage convenience. Two removable glass shelves, along with a QuickSpace shelf and two full-extension beverage shelves, allow flexible storage of fresh foods, drinks and condiments.

Door lock. Helps prevent unwanted access, ensuring the door remains closed.

Flexible installation. Finished on all sides in stainless steel, the Outdoor/Indoor Refrigerator allows a wide range of installation possibilities inside and outside your home. For added flexibility, the top panel can be easily removed to allow built-in installation.
