BOTTOM FREEZERS

Bottom Freezer Design

Get better access to the foods you reach for most by placing the freezer below the refrigerator.

Independent Digital Temperature Controls

The fridge and freezer have separate temperature controls so you can adjust one without affecting the other. Located up front in the fridge compartment, the digital temperature controls are easy to reach and adjust.

Environmentally Friendly

LG Bottom Freezer refrigerators are Energy Star rated, which means they use at least 20% less energy than required by current federal standards. And LG uses Cyclopentane to insulate the refrigerator – an environmentally friendly material.

LBN20513 / LBN20514

CAPACITY

Refrigerator	13.4 cu.ft.
Freezer	6.3 cu.ft.
Total	19.7 cu.ft.

FEATURES

Freezer Door Type	Swing
Energy Star	●
