Performance

- Linear Compressor: 10 Year Warranty
- Energy Star® - CEE Tier 1
- Smart Cooling System
- Multi-Air Flow Cooling
- IcePlus™ Icemaker Installed
- Internal LED Temperature Controls
- LoDecibel™ Operation
- Door Alarm

BOTTOM FREEZER

Smart Capacity

Slimmer interior designs and innovative storage solutions provide you with more space to store all your entertaining favourites. Get a massive 24 cu.ft. of space in this space-saving 33-inch refrigerator.

Long Live Your Food

With innovations like LG's Multi-Air Flow design featuring multiple vents placed strategically throughout the refrigerator, your food stays fresh no matter where you put it. It's all part of LG's Smart Cooling System which maintains the optimal humidity and temperature levels in your fridge, to keep your food fresher, longer.

Peace Of Mind

When you buy a refrigerator, you don't want to worry that it won't last. Because the Linear Compressor motor uses fewer moving parts and operates more efficiently, LG confidently backs the motor with a 10-year warranty.

Easy to Open

LG's innovative Smart Pull™ freezer handle allows you to access your frozen treats with ease. A simple lift unlocks the freezer seal in one smooth motion, without jerks or yanks.

Customizable Storage

Fit taller items in the door with a convenient shelf that flips up for more storage. LG's folding door tray along with a full width Glide N' Serve Pantry Drawer gives you more custom storage solutions for your whole family.
