GAS DOUBLE OVEN RANGE

Fast, Efficient, Easy Clean Up

LG's innovative EasyClean™ function provides a quick, efficient, effortless way to clean your oven. Using lower temperatures, a revolutionary interior, and water, simply wipe away the mess after only 20 minutes. Got a really big mess? The full self clean is still available to tackle those heavy duty clean up jobs.

Stir-Fry, and Simmer

The 5 High Performance Sealed Burners are there to meet all your cooking needs. These easy to clean sealed burners provide flexible cooking power from 5,000 BTUs to 17,000 BTUs.

Capacity That's Twice As Nice

Get 6.1 cu.ft of super large capacity in a double oven design. Two separate ovens allow you to cook different dishes at different temperatures all at the same time. So, cooking a huge meal complete with dessert is as easy as pie.

Better, Faster Results

Great cooking takes time, but at least with this oven it takes less time. The Convection Oven lets you pre-heat faster and provides more even baking and roasting for delicious results.
