KEY FEATURES

Ultra Capacity

Stock-up and store everything you need. With a cavernous 27 cubic feet of space, this LG French Door refrigerator gives you ample space for all of your family's favorite foods and keeps them conveniently organized and within reach.

Slim SpacePlus® Ice System

Ice makers are great, but not if it means you can't fit all of your food in the fridge. The Slim SpacePlus® Ice System provides maximum shelf space* and allows even more space for door bins.

Double Freezer Drawers

Leave the pint of ice cream and frozen turkey where they belong. With 2 separate freezer drawers, you have easy, organized access to the things you need often—and ample, lower space for the things you don't.
