TOP FREEZER REFRIGERATOR

Great Space in Style

Get the space you need in a refrigerator that's right for your kitchen. With 20 cu. ft. of space, this top freezer refrigerator offers a large capacity in its category at 30" wide.

Fresher is Better

The Electronic Temperature Controls are designed to maintain humidity and temperature levels to help keep your food fresher, longer. Digital sensors constantly monitor conditions within the refrigerator to keep things cool.

Ice in a Hurry

The IcePlus™ feature provides fast freezing for up to 24 hours, producing as much as 6 lbs. of ice when you know you're going to need it.

Humidity Controlled Crispers

Provides an easy-to-use food storage environment with controls to help keep food fresher for longer.

Sleek & Integrated Design

With elegant, contoured doors and hidden pocket handles, this traditional style refrigerator has a modern look that fits seamlessly into your kitchen. Plus, the door hinges are reversible to accommodate every kitchen layout.
