TOP MOUNT REFRIGERATOR

Ion Door Cooling System

Keeps the air in the refrigerator cleaner by reducing mold, micro bacteria and unpleasant odors in the air.

Humidity Controlled Crispers

Provides an easy to use food storage environment with controls to make food stay fresher longer. The crispers have an upfront humidity control lever.

Deluxe Digital Temperature Controls

Digital temperature control for the refrigerator is upfront for easy access. There is also a separate Freezer dial to moderate the temperature in the freezer.

Horizontal Pocket Handles

New horizontal pocket handles, give LG's new top mount refrigerators a modern look to a traditional configuration. Pocket handles make cleaning the surface of your fridge hassle-free! Also the hinge is reversible to accommodate every kitchen layout.

LTN19315

CAPACITY	
Refrigerator	13.7 cu.ft.
