- Water Plus Option
- Add Garment Option
- 6Motion™ Technology
- SmartRinse™ Jet Spray System
- SenseClean™ System for Intelligent Fabric Care
- 8 Washing Programs
- 5 Temperature Settings (All Cold Rinses)
- Delay Wash up to 19 hours for Washing Convenience

**Style and Design**

- Rear Electronic Control Panel with LED Display and Dial-A-Cycle™
- SlamProof™ Diamond Glass Lid

**Technology Benefits**

- NFC TagOn™
- SmartDiagnosis™
- LoDecibel™ Quiet Operation

# TOP LOAD WASHERS

## More Free Time

Towers of towels, piles of sweatshirts, and a mountain of jeans? Go for it. The 5.6 cu.ft. ultra large capacity washer lets you do more laundry in fewer loads. That's time well saved.

## NFC Tag On

Easily change and customize cycles with a simple tap of a smart phone app. Can't find the cycle you need? There's an app for that. Your laundry just got a little bit smarter.

## Call, Connect, Resolve

SmartDiagnosis™ uses self-diagnosing technology that can communicate 24/7 with LG customer service over the telephone providing you with comfort and reliability.

## The Hottest Thing in Cold

Now using the cold cycle on your washer doesn't mean compromising on how clean your clothes are. ColdWash™ technology uses cold water and enhanced washing motions to penetrate deep into fabrics, giving you cold-water savings with warm-water performance.

## Keep it Quiet

There's no need for laundry to be noisy. Thanks to LG's LoDecibel™ Operation, chances are you'll never even notice it.
