Signature Features

CLEAN, MODERN DESIGN

- Artful and symmetric design expresses individuality.
- Beautifully appointed stainless steel body and interior trim.

THE MOST FRESH FOOD STORAGE AND ULTIMATE FLEXIBILITY

- Flexible, bottom right door can be a fridge or freezer, maximizing fresh food storage space.
- The most fresh food storage available in its class at 25.6 cu. ft.,¹ when the convertible zone is used as a refrigerator.

¹ Among consumer-grade freestanding refrigerators

ULTRA-HIGH CAPACITY SAVES YOU TRIPS TO THE MARKET

- Our largest French Door refrigerator has enough room to fit up to 32 bags of groceries.²
- 32 cu. ft.³ makes this refrigerator the largest French Door refrigerator in its class.⁴

² Grocery comparison based on each cubic foot of usable space equaling one paper bag.

³ Actual size = 31.7 cu. ft.

⁴ Features the largest capacity refrigerator in Samsung's current lineup.

Ranked **"Highest in Customer Satisfaction with Refrigerators"**
by J.D. Power and Associates.

32 cu. ft. 4-Door Refrigerator with Convertible Zone

Installing Your Refrigerator

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entry way in the home is wide enough for the refrigerator to be moved through easily.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details consult manual packed with product, or download manual on-line at samsung.com.
