INSTALL A PAIR ANYWHERE

- Samsung's VRT™ (Vibration Reduction Technology) transmits far less energy to the floor than leading brands.
- Excessive noise and vibration due to unbalanced loads are virtually eliminated.
- Quiet enough for use upstairs, even with pedestals.

Design/Style:

- Premium Metallic Colors
- LED Center Jog Dial Console
- Soft Touch Dial

(Shown with optional pedestal)

Samsung's Vibration Reduction Technology (VRT™) allows installation on second floors or near bedrooms because it provides smooth operation at spin speeds up to 1100 revolutions per minute, significantly reducing vibration and noise while improving handling of unbalanced loads.
