- Optional Pedestals or Stacking Kit Available

DIRECT DRIVE MOTOR

Enjoy quiet, reliable operation – with no belts or pulleys to cause vibration and noise. Because the Direct Drive Motor works without belts or gears, there are fewer moving parts, which reduces vibration and decreases wear and tear on the motor for a powerful and quiet wash.

(Shown with optional pedestal)

Samsung's Vibration Reduction Technology (VRT™)

Allows installation on second floors or near bedrooms because it provides smooth operation at spin speeds up to 1200 revolutions per minute, significantly reducing vibration and noise while improving handling of unbalanced loads.

Design/Style:

- Designer Colors
- DOT LED Console
- Soft Touch Dial

Color:

Tango Red (shown here)
