

Wine Cellar ~ DWC140D1BSSPR

Features

- 14.0 cu. ft. (396L) capacity dual zone wine cellar for red and white wine storage
- Fully integrated flush built-in application
- Newly designed wine shelves float on silicon buffers which absorb vibration while minimizing disturbance to the wine and durable ball bearing shelf glides allow for full extension of wine shelves providing easy access.
- Zero clearance hinge allows for cabinet depth integration without the door interfering with surrounding cabinets
- New contemporary handle is sleek and discrete and blends with most décor
- The upper zone will store up to 54 bottles of wine and the lower zone will store up to 75 bottles of wine
- Each zone is independently controlled by a programmable thermostat and can be set between 39°F F-64°F (4°C-18°C) to ensure wine is stored at its optimum temperature.
- Exclusive Wave Storage System cradles the wine, protecting it from unnecessary movement
- Smudge-resistant, easy clean 304L stainless steel stamped door includes Low-E glass for improved energy efficiency

Specifications
