Cooking safety

CAUTION

If CookSmart™ is not working properly, boilovers may result causing burns and injury.

CAUTION

The cover of the retracted Sensor Dome™ will get hot if the neighboring heating element is on.

WHEN COOKING WITH COOKSMART™ OBSERVE THE FOLLOWING:

- always put the lid on pots
- always fill pots with at least 1 ¼" (3 cm) of liquid
- always use pots of the appropriate size and type (system pots, enamelware pots stainless steel and aluminum pots equipped with sensor tape)
- always point the sensor tape towards the sensor
- always keep the sensor's window clean
