Cool and Convertible – Plenty of space for everything

The Hisense 21 cubic foot French-door refrigerator is a space-saving whiz that features a convertible middle drawer that can be programmed to a variety of fridge and freezer temperatures, along with an ice and water dispenser for cold, fresh water every time. At 36" wide, the large capacity freezer and fridge sections means you'll have plenty of space to stock up on your family favourites. Our Dual Cooling technology keeps temperatures and humidity levels separate while reducing odours inside the fridge.
