

24 inch bottom mount integrated panel ready Professional Series

REF24BMBPNB

The Bertazzoni 24 inch built-in bottom mount refrigerator offers 6.2 cubic feet of refrigerator volume and 2.4 cubic feet of freezer volume.

The internal configuration is designed for maximum flexibility, the refrigerator is equipped with 1 full-width crisper with humidity-control and independent temperature control, 3 adjustable-height shelves and 3 door bins to ensure organized storage and preservation of food. The 3 drawers in the freezer compartment ensure easy organization and retrieval of frozen goods.

The Total No Frost system offers an automated defrosting evaporator that ensures food always stays fresh. It's equipped with LED lighting and an electronic touch interface with user-friendly controls for temperature setting. The panel ready door is reversible for left or right swing installation.

To mount a Bertazzoni handle kit on a custom kitchen cabinet panel; use brass threaded inserts available for purchase [here](#)

All Bertazzoni appliances are covered by a 2-year warranty.
