

18 inch Dishwasher Standard Tub with Stainless Steel Panel and Bar Handle, 8 place settings, 51 dB, 6 wash cycles

Professional Series

DW18S2IXV

This stainless steel standard tub dishwasher offers superb cleaning performance with 2 spray arms to remove tough deposits. Loads up to 8 place settings and it is equipped with 2 racks: a height-adjustable not loaded middle rack and a folding tines lower rack. Select one of the 6 available wash cycles and 5 wash options through the concealed loop button control.

All Bertazzoni dishwashers are designed and engineered with the highest grade materials and components. Using one of the 2 available handle kits in Professional and Master Series style, this dishwasher with stainless steel panel integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen.

This dishwasher is Energy Star rated. Certified by the National Sanitation Foundation for eliminating 99.99 percent of most common household bacteria.
