## 36" WALL MOUNT HOOD KG36 CON X

The Bertazzoni Design Series hood offers a sleek and elegant style with stainless steel framed glass and electronic touch through glass controls. It is a perfect match for the Bertazzoni Design Series wall ovens and segmented cooktops. Available with an efficient yet quiet 600 CFM motor and stainless-steel baffle filters, it can be installed for recirculation or ducted extraction.

### CONTROLS

Use the touch control interface that lets you adjust the 3 different power levels with just the touch of a finger.

TO COOK BEAUTIFULLY
