

30" Over The Range Microwave Oven Professional Series

KOTR30XV

All Bertazzoni hoods are designed, engineered and made using the highest grade materials and components. Every hood pairs perfectly with all Bertazzoni ranges, rangetops and cooktops of the same size and integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen.

This over the range microwave oven has 1.9 cubic feet capacity, 1 chromed wire shelf and a glass turntable. The smart touch controls with LED display manage 10 power levels, pre-set cooking modes, timer and sensor controls for reheat and defrost. The high powered microwave is combined with hidden vent airflow exhaust (optional vented or recirculation intallation). This OTR is equipped with 300 CFM blower with 4 speed settings, a halogen interior light and 2 LED surface lights to provide bright illumination of the cooking surface underneath.

All Bertazzoni appliances are covered by a 2-year warranty.

Specifications

Features

Hood

Size	30 in
