## Bertazzoni signature counter-deep maintop

Bertazzoni signature stainless counter-deep maintop is designed to install flush with most kitchen countertops for a perfectly integrated look. Precise and flexible heating is generated through 6 Mono-bloc brass burners. 2 x 19000 BTUs power burners with dual ring of flame boil water in 6 minutes flat. The stainless steel electric griddle comes with a handy integrated cover.

## Extra large oven with dual convection

A 2.4 cu.ft auxiliary electric oven with broiler helps prepare multiple dishes at the same time. Bertazzoni ovens are equipped with an extra-large high-power broiler for broiling and grilling.

## Advanced programming and controls for the oven

The elegant digital gauge gives precise control of oven temperature during pre-heating, roasting and baking, and has integrated controls for the food temperature probe. This range comes with a dedicated air-frying mode for healthier cooking, to be used with the included stainless steel mesh basket.
