## 30" INDUCTION COOKTOP P30 4 I X

This Bertazzoni touch control induction cooktop has a total output level of 12,200 W providing the fastest and most energy efficient way of cooking. The full energy becomes available instantaneously and is delivered directly to the cookware, thus eliminating inconvenient heat-up time. This Bertazzoni Design Series cooktop features four individually controlled induction heating zones and a sleek stainless steel framed low profile main top.

### TOUCH CONTROL

The touch control interface provides the utmost in cooking flexibility.

### LOW PROFILE STAINLESS STEEL TRIM

The induction top is framed by a low profile stainless trim.

TO COOK BEAUTIFULLY
