### **Large Oven Capacity**

Blomberg knows you can never have too much room in your oven, even if there's not a lot of room in your kitchen. That's why we engineered a generous 2.51 cu. ft. oven capacity into our 24-inch range.

## **Large Cooking Zone**

Blomberg ranges offer more than a beautiful appearance and the benefit of effortless cleanup. They feature the versatile advantage of allowing you to create a large, 10" cooking zone for fast, efficient cooking in oversize pots and pans of any shape.
