30 INCH DUAL FUEL SLIDE-IN RANGE

Industry Leading Oven Capacity 5.7 cu.ft.

Blomberg features the largest oven capacity available in a 30-inch range, with 5.7 cu. ft. of cooking space to accommodate everything from holiday roasts to full-size commercial baking sheets.

Blomberg ranges offer more than a beautiful appearance and the benefit of effortless cleanup. They feature the versatile advantage of allowing you to create an extra-large, 12" cooking zone for fast, efficient cooking in oversize pots and pans of any shape.

Cool Touch Oven Door

Blomberg ranges feature cool-touch glass on the oven door to prevent accidental burns and safely protect those small, curious fingers tempted to point out the cookie they want first!
