The Benchmark® Series stainless steel gas cooktop with digital display and adjustable FlameSelect®.

Performance

- 5 high efficiency gas burners
- FlameSelect® (9 power levels)
- 18.1K exclusive dual flame ring power burner
- OptiSim® burner
- STAR-K Sabbath compliant

Convenience

- Sealed burners prevent spills from entering the burner box
- Full width continuous surface enameled cast iron grates can be cleaned in dishwasher
- Push-to-turn knobs with electronic ignition
- LED display for each burner control

Design

- Stainless steel cooking surface
- Sleek black glass control panel
- Heavy-duty stainless color metal knobs for a premium look and feel
- Low-profile design for an integrated transition to the counter surface
- Perfect results are within reach with up-front centralized controls
- Cooktop design coordinates with Bosch ovens and ventilation

Safety

- Flame thermocouple sensing device will switch off the supply of gas if flame temporarily extinguishes
- Residual heat indicator on every burner reminds you not to touch the grates when they are still hot
- LP conversion kit included for conversion from natural gas to liquid propane
