

# 24" Induction Cooktop

500 Series – Black NIT5469UC

**BOSCH**  
Invented for life

**NIT5469UC**  
Black

**The 24" induction cooktop is engineered to perform precisely and is ideal for kitchens with a smaller footprint.**

## Features & Benefits

Induction – faster than gas and electric cooktops. Precise cooking, easy cleaning and more efficient

11" cooking zone for larger pots and pans

17 power levels for each cooking zone

Each cooking zone has an independent countdown timer

SpeedBoost® – adds even more power to speed up the cooking process

## Element Performance

|------------------------------------|---------|
| Power of Back Left heating element | 2,600 W |
|------------------------------------|---------|

|                                               |         |
|-----------------------------------------------|---------|
| Power of Back Left heating element (in boost) | 3,700 W |
|-----------------------------------------------|---------|

|                                     |         |
|-------------------------------------|---------|
| Power of Back Right heating element | 1,800 W |
|-------------------------------------|---------|

|                                                |         |
|------------------------------------------------|---------|
| Power of Back Right heating element (in boost) | 3,100 W |
|------------------------------------------------|---------|

|                                      |         |
|--------------------------------------|---------|
| Power of Front Right heating element | 1,400 W |
|--------------------------------------|---------|

|                                                 |         |
|-------------------------------------------------|---------|
| Power of Front Right heating element (in boost) | 2,200 W |
|-------------------------------------------------|---------|

|                      |     |
|----------------------|-----|
| Burners with booster | All |
|----------------------|-----|

## Element Size

|                                        |     |
|----------------------------------------|-----|
| Dimension of Back Left heating element | 11" |
|----------------------------------------|-----|

|                                         |    |
|-----------------------------------------|----|
| Dimension of Back Right heating element | 7" |
|-----------------------------------------|----|

|                                          |    |
|------------------------------------------|----|
| Dimension of Front Right heating element | 6" |
|------------------------------------------|----|

## Technical Details

|       |         |
|-------|---------|
| Watts | 7,200 W |
|-------|---------|

|                 |      |
|-----------------|------|
| Circuit breaker | 30 A |
|-----------------|------|

|       |           |
|-------|-----------|
| Volts | 208-240 V |
|-------|-----------|

|           |       |
|-----------|-------|
| Frequency | 60 Hz |
|-----------|-------|

|           |         |
|-----------|---------|
| Plug type | No Plug |
|-----------|---------|

|                   |     |
|-------------------|-----|
| Power cord length | 37" |
|-------------------|-----|

|               |          |
|---------------|----------|
| Energy source | Electric |
|---------------|----------|

## Dimensions & Weight

|                                      |                               |
|--------------------------------------|-------------------------------|
| Overall appliance dimensions (HxWxD) | 1/4" +4 1/8" x 24" x 20 9/16" |
|--------------------------------------|-------------------------------|

|                              |                        |
|------------------------------|------------------------|
| Required cutout size (HxWxD) | 4 1/8" x 22" x 19 1/4" |
|------------------------------|------------------------|

|                                     |        |
|-------------------------------------|--------|
| Minimum distance from counter front | 2 1/4" |
|-------------------------------------|--------|

|                                 |    |
|---------------------------------|----|
| Minimum distance from rear wall | 2" |
|---------------------------------|----|

|            |        |
|------------|--------|
| Net weight | 24 lbs |
|------------|--------|
