

ALTA SERIES

BQLA1 MODEL

The uncompromising choice

Air quality is a top concern for today's families. The Broan series, with its superior capture efficiency, is the ideal solution. This model is sure to win over even the most demanding users with its innovative design, advanced technology, and unmatched performance.

SOPHISTICATED STYLE

- 3-speed performant dual blower, HVI* certified
- Quietest range hood offering a sound level of 0.3 sone at low speed
- Two ultra efficiency hybrid baffle filters, easy to clean
- Two built-in LED modules provide an even lighting over the cooktop
- Optional HCR3 handheld remote enables control from anywhere in the kitchen
- Use charcoal filter HPF30 or HPF36 for a non-ducted installation
- EZ 1 brackets make it easy for single-person installation in less than half the time of traditional methods
