

Broan QP1 Series

Meeting customer demands for a contemporary styled range hood that is easy to clean, and brightly lights the cooktop.

- Durable, powder-coat paint or brushed stainless steel.
- Large, full filter design, dishwasher-safe for easy cleaning.
- 2 level blower speed control.
- Four halogen lights provide increased performance and quieter operation.
- Versatile design allows for 3 1/4" x 10", 7" round, or non-ducted discharges without re-positioning blower
- CleanSense™ charcoal filters change color when replacement is necessary (for non-ducted installations – purchase separately).
- Available in 30" width in White, Black, and Stainless Steel.

AIR FLOW PERFORMANCE

HVI-2100 CERTIFIED RATINGS comply with new testing technologies and procedures prescribed by the Home Ventilating Institute, for off-the-shelf products, as they are available to consumers. Product performance is rated at 0.1 in. (2.54 mm) static pressure, based on tests conducted in a state-of-the-art test laboratory. Sones are a measure of humanly-perceived loudness, based on laboratory measurements.
