Broan Elite E64000 Series

Broan introduces the E64000 range hoods in 10" under-cabinet. These new models come with integrated internal blowers or dedicated external blower capability. When you want professional style and performance, trust Broan to cover every detail.

- 10" under-cabinet design
- Brushed stainless steel finish 30", 36", 42" and 48" widths, 22" depth
- 600 CFM internal blower is standard on all models
- 1100 CFM blower available in 36" and 42" models
- 1200 CFM blower also available in 48" model
- Dedicated models in all widths for use with external blower options—choice of eight, from 280–1500 CFM
- Bright halogen lighting; Two 50-watt bulbs in 30" and 36" widths, Three 50-watt bulbs in 42" and 48" widths (purchase bulbs separately)
- Pro-style, dishwasher-safe baffle filters with removable grease drip rail
- Variable speed control remembers last setting—blue power-on indicator light
- Heat Sentry™ detects excessive heat and adjusts blower speed automatically

- Optional pro-style backsplash
- Designed to duct out of the hood shell in either horizontal or vertical direction with internal blowers. External blowers duct vertically
