30 Inch 600 CFM Undercabinet Range Hood

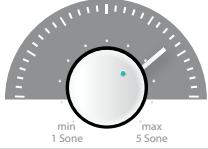

The Caloric Undercabinet Range Hood is the ideal addition to any kitchen. With a powerful 600 CFM motor suction, it can quickly and efficiently remove smoke, steam and odors from your kitchen.

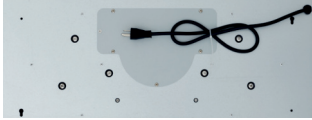

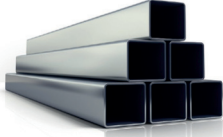

Featuring three different speeds that provide flexibility in suction, LED lighting for better illumination, and a touch control panel, you can easily customize the hood to meet your needs.

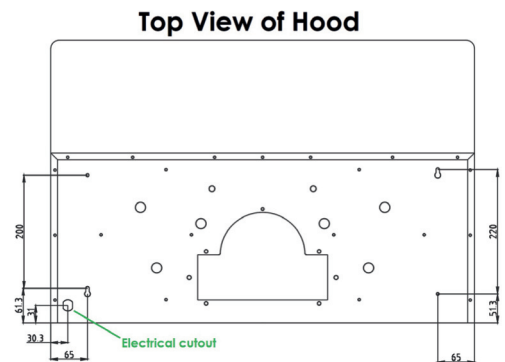

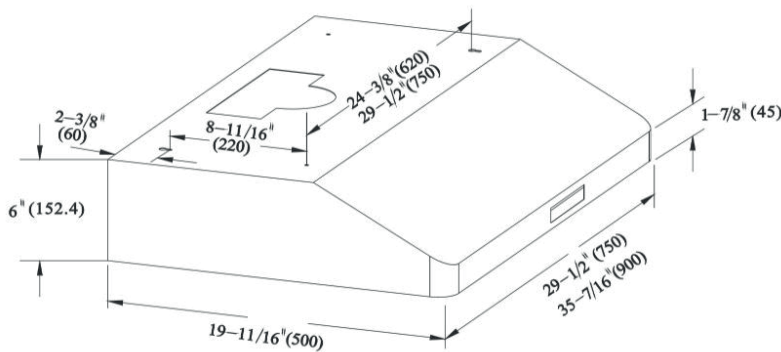

The stainless-steel baffle filters are washable, and can be vented to the top or rear of the unit with either a 6" round exhaust or 3 1/4 x 10" rectangular exhaust, providing you with flexibility in installation. With a maximum of 5 sones, the noise levels you experience easily fit your space and your surroundings.

The Undercabinet Hood is a stylish and reliable addition to your kitchen and comes with a 1-year parts and labour warranty.
