ELVW7405AW

5.8 Cu. Ft. I.E.C Top Load Washer

The Electrolux top load washer delivers powerful cleaning performance with the LuxCare Wash System, designed to provide a thorough clean while caring for fabrics. An 18-minute Fast Wash cycle helps quickly clean the items you need most, while the Deep Fill option adds extra water when desired for heavily soiled loads. With its extra-large capacity, you can wash more clothes in fewer loads for added convenience and efficiency.

Available Colors: White

Version: 10/26

Consumer Benefits

Extra-Large Capacity

With the largest capacity in its class at 5.8 Cu. Ft. I.E.C, it handles large, bulky loads with ease thanks to a unique suspension system that keeps the drum balanced

Based on published capacity specifications against leading competitors with suggested retail pricing of $799-$999 as of May 12, 2026

LuxCare® Wash System

The unique agitator and optimized wash action provides powerful cleaning while reducing wear and tear so clothes maintain integrity

18-Minute Fast Wash

Get a thorough clean in 18 minutes with the fastest quick wash in its class

Fast time based on 3 lb. DOE load, based on published fast cycle times as of May 12, 2026

Deep Fill

Adds more water to fully saturate clothes for complete coverage

2-Year Limited Warranty

Built for long-term reliability and peace of mind with an extra year of coverage when you register your product

One-year standard parts warranty plus an additional year with product registration within 60 days of purchase. See limited warranty for details.

Add Items After Cycle Begins

Enjoy the convenience of pausing the cycle and adding forgotten items
