

## VOLTERRA WALL

COMFORT SERIES

LED lamps

backlit electronic push button controls

Volterra, with its pyramid shaped angles and stainless steel finish, makes a striking visual statement to any kitchen. Available in 24", 30" or 36" widths, Volterra features backlit push button controls, LED lighting and 3-speed blower. It also features a telescopic chimney for up to 9'2" ceilings.

Designed for standard ducted installation Volterra can also be installed as a recirculating system using the kit available as an accessory.

Optional Long Chimney Extension  
CODE: KIT02762 / (30", 36")

## PLUS

## LED LIGHT

LED lighting is undoubtedly the smartest solution in terms of energy saving. Expected life time of over 20.000 hours, represents the most remarkable advantage of LED light bulbs.

## 3X LAYER GREASE FILTER

Elica aluminum mesh filters are a step above competition, featuring triple layered, anodized aluminum that is woven into a highly dense mesh. The thick mesh captures more grease, anodization helps resist staining and provides durability to repeated cleanings in the dishwasher.
