

## NEMI UNDER CABINET

COMFORT SERIES

LED light

Nemi sports a slender 5" height and soft curves, designed to modernize and perfectly fit kitchens where space is premium. Nemi features a 3-speed, 280 CFM internal blower, which provides sufficient ventilating power for most kitchens. The backlit push button controls allow for easy adjustment of blower speeds and dual LED lamps. A single dishwasher-safe anodized aluminum mesh filter is easy to clean. Available in 30" or 36" widths, Nemi is designed for standard ducted installation, and can be installed as a recirculating system, using the Recirculating Kit, available as an accessory. For design versatility, Nemi is available in a choice of stainless steel, black, white or biscuit finishes.

## PLUS

## LED LIGHT

LED lighting is undoubtedly the smartest solution in terms of energy saving. Expected life time of over 20,000 hours, represents the most remarkable advantage of LED light bulbs

## 3X LAYER GREASE FILTER

Elica aluminum mesh filters are a step above competition, featuring triple layered, anodized aluminum that is woven into a highly dense mesh. The thick mesh captures more grease, anodization helps resist staining and provides durability to repeated cleanings in the dishwasher.

|   | Models                       |                |
|---|------------------------------|----------------|
|   | ENM230S1                     | ENM236S1       |
