

AREZZO INSERT

ASPIRE

Arezzo provides professional grade performance, while being discreetly mounted inside the cabinetry. Arezzo is available in 28 1/2" width with a 600 CFM blower, and equipped with a 1200 CFM blower for widths of 34 1/2", 40 1/2" and 46 1/2" for extraordinary ventilating power. Heavy duty, stainless rotating knob controls operate the 4 speed blower and halogen lighting. Easy maintenance, higher efficiency and a cleaner kitchen are ensured by Elica's patented Baffle Slot Filters, which capture a higher percentage of contaminants and hold larger volumes of grease than traditional baffle filters. Arezzo is designed for standard ducted installation only.
