

SIZE (in) & TYPE 30" or 36" Wide, Under-Cabinet Hood
FINISH Stainless Steel

Elica Americas Design Center

MODENA

Modena offers a classic designer chimney appearance for under-cabinet installations, with a striking 9" high pyramid shape. Modena also provides high-end features not commonly found in under-cabinet hoods, including halogen lighting with 2 light intensities, dishwasher-safe anodized aluminum mesh filters and easy-to-use multi-function LCD controls. Available in 30" or 36" width, and designed for standard ducted installation, Modena can also be installed as a recirculating system using the Recirculating Kit, available as an accessory. For design versatility to suit almost any kitchen.
